Prices above are for labor only and do not include cost of hardware, software, and other equipment.

On-Site Service:	We travel to your home or business and perform the service at your location.
Off-Site Service:	You bring your equipment to our location in Mason and we perform the service at our location. Or we will pick up your equipment from your home or business, service it at our location, and return it to you for an additional \$49 pickup and delivery charge.
Remote Service:	We use an Internet application (Splashtop) to access your computer at your location to service it without traveling to your home or office. Not all services can be performed remotely.
Telephone Service:	We call you on the telephone and instruct you how to fix your computer.

All prices subject to change without notice.

Please visit our web site at www.askus-ent.com for details on these and other services.
